About GMR Infrastructure Limited

GMR Group is a leading global infrastructure conglomerate with interests in Airport, Energy, Transportation and Urban Infrastructure. The group has fifteen power generation projects of which ten are operational and five are under development and construction stages. Besides, it has seven operating road assets and a double rail track line between Mughalsarai-New Bhaupur (Kanpur) of Eastern Dedicated Freight Corridor is under development.

GMR Group developed and operates India's busiest Indira Gandhi International Airport in New Delhi and Rajiv Gandhi International Airport at Hyderabad. It has recently won the concession to develop and operate Goa's Greenfield Airport at Mopa. GMR Infrastructure in partnership with Megawide Construction Corporation is developing Mactan Cebu International Airport (MCIA) in Philippines. The Group is also developing two Special Investment Regions at Krishnagiri and Kakinada and India's largest Smart Airport City near Hyderabad International Airport.

GMR Group, through its Corporate Social Responsibility arm, GMR Varalakshmi Foundation, carries out community-based development initiatives at 29 locations in India and Nepal in the areas of education; health, hygiene and sanitation; empowerment and livelihoods; and community development.
